SUGGESTED FINANCIAL COMMITMENT

Suggested financial options are €120.00 per annum (€10 per month); €180 per annum (€15 per month); €250 per annum (€21 per month) OR any other amount of your choice.

When you donate €250 per year (€21.00 per month) the school is entitled to claim tax back from the government under its charitable status. For every €250 received in a tax year the school gets €175.00 back from the government which gives the school a total of €427.

We appreciate that not all families may be in a position currently to make a monthly or annual commitment. If you would like to participate in the scheme and would like to make a small contribution it will be very much appreciated
